Greeting

In the most difficult times, when there seem to be no good options, there is always a bigger view than what we can see.

Self-reliance always limits us to ourselves. To have a bigger life, a bigger view, we need to reach out and ask for help.

Jesus is the ultimate helper with the ultimate view. So I'm asking for help, for me, for all of us: "Jesus, help us"

Peace to you and your family,

Colin, Jatinder and the team @ Vultrex
